The determination of the partners to build a house, to free the families from metal containers and from unfavorable conditions is adamant.

“I address all the families included in this year’s housing program. Despite the situation we live in now, we have always strived to keep our social programs going. We stand by your side and your cherished dream of having a home will come true. That’s what all of us – you, the ‘Fuller Center for Housing’ in Armenia, and our Company – strive for,” Viva-MTS General Manager Ralph Yirikian said.
